Professional Quality Level Work is the Expectation for this Gallery.

GNAL and the Medical Providers at the Dermatology Associates Arts Building are pleased to offer an opportunity to showcase GNAL Members with professional works of 2-D art in an ongoing gallery presence in their office. **Original artwork only will be displayed, prints of artwork are not admissible (not including photography.)** This is a chance to present your work in a beautiful location with visibility by visitors, patients and their families. This exhibit runs for four months and the art may only be for sale .

If a piece is sold it may be replaced with another piece for the remainder of the exhibit. Previously exhibited work at GNAL is eligible. The artist will pay a **25%** commission to GNAL from sales. Artists will be contacted to meet the patron and accept payment for a sale - we encourage you to meet at the Dermatology Associates Bldg or GNAL, at which time you are invited to replace the piece with another for the remainder of the show.

All reasonable care will be taken in handling work. GNAL does not insure your work. While the Dermatology Associates gallery is in a well-lit, high traffic area, the building is open to the public, so entering the show is at your own risk. **You must carry your own insurance** - Dermatology Associates and GNAL are not responsible for loss or damage to artwork.

As the artwork will be displayed in a public area (in a medical facility) it should reflect suitable subject matter that is pleasant and uplifting to offer healing and joy to patients and visitors. Please stay with the theme provided. The jurors reserve the right to eliminate any artwork for unsuitable subject matter, quality, craftsmanship and overall professionalism. Artwork should be current and paper, boards and matting free from yellowing, stains, or wear and tear. GNAL Show Team & Chairpersons along with our Dermatology contact act as jurors for the Dermatology exhibit. All work must be matted and/or framed, except for wrapped canvases, which must be painted on the outside edges. The work must be 2 dimensional with a **properly installed braided wire for hanging**.

Artists will be contacted **only if the work is NOT accepted** into the show.
